### Philosophy

The philosophy of the Kootenay Swim Club will be to develop a love of swimming and a more intimate understanding of the competitive lifestyle. The Kootenay Swim Club fosters an environment that allows swimmers to identify their personal goals and gives them the resources and the training skills necessary to achieve them. As well, KSC strives to provide opportunities for swimmers in the Kootenay region, the chance to utilize their swimming as a motivator to pass on their knowledge and become leaders within their community.
